NOTICE OF ANNUAL GENERAL MEETING NOTES:

The following notes explain your general rights as a shareholder and your right to attend and vote at this Meeting or to appoint someone else to vote on your behalf.

1. To be entitled to attend and vote at the Meeting (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the Register of Members of the Company at close of trading on 17 June 2025. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
2. Shareholders are entitled to appoint another person as a proxy to exercise all or part of their rights to attend and to speak and vote on their behalf at the Meeting. A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different Ordinary Share or Ordinary Shares held by that shareholder. A proxy need not be a shareholder of the Company.
3. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
4. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.
5. All resolutions at the Meeting will be decided by poll. The Directors believe a poll is more representative of Shareholders' voting intentions because shareholders' votes are counted according to the number of shares held and all votes tendered are taken into account.
6. Shareholders are asked to cast their vote as follows:
 - (a) via the Investor Centre app or by accessing the web browser at <https://uk.investorcentre.mpms.mufg.com/> and following the instructions (see below); if you need help with voting online please contact our registrar, MUFG Corporate Markets, on 0371 664 0391 if calling from the UK, or +44 (0)371 664 0391 if calling from outside of the UK, or email MUFG Corporate Markets at shareholderenquiries@cm.mpms.mufg.com.
 - (b) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below. In order for a proxy appointment to be valid a form of proxy must be completed.
 - (c) by requesting a hard copy form of proxy directly from the registrars, MUFG Corporate Markets, via email at shareholderenquiries@cm.mpms.mufg.com or on Tel: 0371 664 0391. Calls are charged at the standard geographical rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales.
 - (d) if you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io.
 - (e) in any case in order to be valid the form of proxy must be received by MUFG Corporate Markets at PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL by 10.00am on 17 June 2025.
7. If you return more than one proxy appointment, either by paper or electronic communication, the appointment received last by the registrar before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.

8. Investor Centre is a free app for smartphone and tablet provided by MUFG Corporate Markets (the company's registrar). It allows you to securely manage and monitor your shareholdings in real time, take part in online voting, keep your details up to date, access a range of information including payment history and much more. The app is available to download on both the Apple App Store and Google Play, or by scanning the relevant QR code below. Alternatively, you may access the Investor Centre via a web browser at: <https://uk.investorcentre.mpms.mufg.com/>.

9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting (and any adjournment of the Meeting) by using the procedures described in the CREST Manual (available from www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (ID RA10) by 10.00am on 17 June 2025. For this purpose, the time of receipt will be taken to mean the time (as determined by the timestamp applied to the message by the CREST application host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
12. If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 10.00am on 17 June 2025 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

Unless otherwise indicated on the Form of Proxy, CREST, Proxymity or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion withhold from voting.

13. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that no more than one corporate representative exercises powers in relation to the same shares.

14. As at 20 May 2025 (being the latest practicable business day prior to the publication of this Notice), the Company's ordinary issued and conditionally issued share capital consists of 303,829,684 Ordinary Shares, carrying one vote each. On this basis, the total voting rights in the Company as at 20 May 2025 are 303,829,684.
15. Under Section 527 of the CA 2006, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's financial statements (including the auditor's report and the conduct of the audit) that are to be laid before the Meeting; or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual financial statements and reports were laid in accordance with Section 437 of the CA 2006 (in each case) that the shareholders propose to raise at the relevant meeting. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the CA 2006. Where the Company is required to place a statement on a website under Section 527 of the CA 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Meeting for the relevant financial year includes any statement that the Company has been required under Section 527 of the CA 2006 to publish on a website.
16. Any shareholder attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered. Shareholders who wish to listen to the business of the meeting by an audio dial-in facility will not be able to ask questions.
17. You may not use any electronic address (within the meaning of Section 333(4) of the CA 2006) provided in either this Notice or any related documents (including the form of proxy) to communicate with the Company for any purposes other than those expressly stated.

A copy of this Notice, and other information required by Section 311A of the CA 2006, can be found on the Company's website at www.futuramedical.com.

INFORMATION ON RESOLUTIONS

Note: any references in the Resolutions below to the Company's issued share capital or any percentage thereof are to such amounts calculated as at 20 May 2025 on the basis set out in Note 14 to the Notice of Annual General Meeting on the previous page.

RESOLUTION 1: TO RECEIVE AND ADOPT THE ANNUAL REPORT AND ACCOUNTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

The Company is required to present the Directors' report, audited financial statements and the independent auditor's report at a general meeting.

RESOLUTION 2, 3 AND 4: RE-ELECTION OF DIRECTORS

The Articles of Association of the Company require any Director appointed since the last Annual General Meeting to stand for election at the next Annual General Meeting.

In accordance with the Articles of Association of the Company Jeff Needham and Andrew Unitt will retire by rotation and stand for re-election. Jeff Needham and Andrew Unitt were appointed to the Board in October 2021 and January 2022 respectively.

Biographical details of Jeff Needham, Andrew Unitt and Harmesh Suniara are shown on page 45 and 46 of the annual report and accounts and on the Company's website.

RESOLUTION 5 AND 6 : RE-APPOINTMENT OF THE AUDITOR AND APPROVAL OF ITS REMUNERATION

At every general meeting at which accounts are presented to shareholders, the Company is required to appoint an auditor to serve from the end of the meeting until the next such meeting. The Board is proposing the appointment of Grant Thornton UK LLP ("GTUK") as the Company's auditor. The Company's Audit Committee has reviewed GTUK's effectiveness and recommends its appointment. Resolution 5 proposes the appointment of GTUK as the Company's auditor to hold office until the next Annual General Meeting of the Company. Resolution 6 authorises the Directors to determine its remuneration. The Directors have delegated the responsibility of fixing the auditor's remuneration to the Audit Committee of the Board.

RESOLUTION 7: AUTHORITY TO ALLOT SECURITIES

Under the CA 2006, the directors of a company may only allot new shares (or grant rights over shares) if authorised to do so by the shareholders in a general meeting (other than in connection with an employee share scheme). The authority which is sought in respect of this is dealt with in Resolution 7.

Paragraph (A) of Resolution 7 would allow the directors to allot new shares and grant rights to subscribe for or convert any securities into shares up to an aggregate nominal value of £202,553. This represents 101,276,561 ordinary shares, which is equivalent to approximately one third of the Company's total issued ordinary share capital as at 20 May 2025, the latest practicable date prior to publication of this Notice.

Paragraph (B) of Resolution 7 proposes that the directors be authorised to allot shares in connection with a rights issue in favour of holders of equity securities, including ordinary shareholders. The allotments would be made in accordance with the rights of those securities (or as the directors may otherwise consider necessary) up to a further aggregate nominal amount of £405,106 representing 202,553,122 ordinary shares, which is equivalent to approximately two-thirds of the Company's total issued ordinary share capital as at 20 May 2025, the latest practicable date prior to publication of this Notice.

As at the date of this Notice, no shares are held by the Company in treasury.

The Directors have no present intention to exercise the authority sought under Resolution 7.

The authority sought under Resolution 7 will, if granted, lapse at the end of the next Annual General Meeting of the Company or, if earlier, 15 months from the date on which Resolution 7 is passed.

RESOLUTIONS 8 AND 9: DISAPPLICATION OF PRE-EMPTION RIGHTS

If the Directors wish to allot new shares and other equity shares for cash (other than in connection with an employee share scheme), company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

Resolutions 8 and 9 are in line with the Pre-emption Group's Statement of Principles for the Disapplication of Pre-emption Rights (the "Statement of Principles").

If Resolution 8 is passed, it under limb (A), would allow the Directors to allot new shares for cash without first offering them to shareholders in proportion to their existing holdings, whether or not the allotment is connected with an acquisition or specified capital investment up to an aggregate nominal amount of £60,765. This maximum amount represents 30,382,968 ordinary shares, which is equivalent to approximately 10% of the Company's total issued equity share capital as at 20 May 2025, the latest practicable date prior to publication of this Notice.

Further, under limb (B), Resolution 8 would, if passed, allow the Directors to allot new shares up to an aggregate nominal amount of £12,153, which represents approximately 2% of the Company's issued share capital as at 20 May 2025, the latest practicable date prior to publication of this Notice, to be used only for the purposes of making a follow-on offer to retail investors or existing investors not allocated shares in the offer made under limb (A) of Resolution 7.

If Resolution 9 is passed, it would, under limb (A), allow the Directors to allot new shares for cash without first offering them to shareholders in proportion to their existing holdings if the allotment is connected with an acquisition or specified capital investment (as described in the note above), up to an aggregate nominal amount of £60,765. This maximum amount represents 30,382,968 ordinary shares, which is equivalent to approximately 10% of the Company's total issued equity share capital, as at 20 May 2025, the latest practicable date prior to publication of this Notice. The Directors intend to use the power given to them under Resolution 9 only in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue of shares, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue of shares.

The Statement of Principles describes a specified capital investment as being one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the listed company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

Further, under limb (B), Resolution 9 would, if passed, allow the Directors to allot new shares up to an aggregate nominal amount of £12,153, which represents approximately 2% of the Company's issued share capital as at 20 May 2025, the latest practicable date prior to publication of this Notice, to be used only for the purposes of making a follow-on offer to retail investors or existing investors not allocated shares in the offer made under limb (A) of Resolution 9.

The authority sought under each of Resolution 8 and Resolution 9 will, if granted, lapse at the end of the Company's next Annual General Meeting or, if earlier, 15 months from the date of the passing of Resolutions 8 and 9.
